The Sweeney was the first really modern police-based series on British television.

Previously, most dramas featuring the police had shied away from showing *"coppers"* as fallible human beings. The police in *The Sweeney* were far removed from the cosy BBC world of *Dixon of Dock Green*, or even from the BBC's slightly more realistic *Z-Cars* (which itself had been co-created by Troy Kennedy-Martin). They were brutal and violent in dealing with London's hardened criminals, and prone to cutting corners and bending laws.
