## About

ova Nova is based on Jowa Script, designed by J. Wagner in 1967.

Iova Nova is based on Jowa Script (Jowa Schreibschrift), designed by Johannes Wagner in 1967.

The typeface has been redesigned, digitized and expanded in the profonts studio. The redesign includes the modification of the numerals which were originally aligned to the cap height. Besides that, we complete the character set to cover Western and Eastern Europe including Turkey and Romania. The font contains more than 300 characters.
