

ARTEGRA SANS

BUYER'S GUIDE

ARTEGRA

2017

Introduction

This guide provides an overview of the sets available for **Artegra Sans** to help buyers choose the most appropriate buying option according to their needs.

The sets are organized according to their size and price. You will find the largest and most cost-effective packs at the end of this document.

Index

- 1 SINGLE WEIGHTS** — SINGLE WEIGHTS
- 2 VALUE SETS** — 24 FONTS SETS
36 FONTS SET
- 3 COMPLETE SETS** — 54 FONTS COMPLETE WIDTH SETS
COMPLETE FAMILY

It's important to note that all the weights has alternates and small caps inside as OpenType features. But don't worry if the software you're using doesn't have access to these features since alternates and small caps versions of the same font are included in each set, so you will be able to install and use them as separate fonts.
