About

Linda Pro – a typeface not only for girls! Linda, a graphic design trainee, started this font as an experiment. It should become a professional typographic project. »Linda« is like Linda: youthful, feminine, and easygoing. Dear Linda, we are quite happy now you are finished. We enjoyed an exciting period of time with you, and we learned a lot of new things through you. With every new step, we became more convinced of you. Your aesthetics, your easiness, and your wonderful »Teenie«-character is so beautiful and charming. Copy text or headlines: your flow is absolutely fantastic and versatility is your strength. We really look forward to seeing more of you, maybe on posters or book titles, for example. Just carry on.
